POSTER HOLDER "STANDARD" RANGE

plexi rom

Our sign holder range is the ideal way to display important information in office settings, receptions and restaurants. These items are a perfect addition to your shop front, showcase, hostess desk or dining room to grab guests' attention and direct to them to your products and services. Flyers and any other printed information are easily inserted into the holder for a professional look in the lobby, shop or reception area of your office. Our range of sizes allows you to place different paper formats straight from your printer into the display easel without the hassle of laminating. The self-standing design rests on a sturdy base so you can arrange any of these models on a flat surface without risk of falling over. "Ready to use" no assembly required.

L-Shaped Visual Holder

- **Manufactured in Recycled PETG with increased fire resistance**
- **Slanted for a better poster visibility when used below eye level**
- **Available in smaller formats under "Label Holder" Category**

PRESENTATION BOXES

green range

Products made of clear acrylic (PMMA), giving you the ability to see what's inside while not skimping on sturdiness. Boxes are great for display or storage - use them as dump bins with loose items, or keep supply closets organized. Combine multiple boxes to easily create custom display areas. "Ready to use" no assembly required.

Multi-Usage Storage Tube/ Round Box

• **Manufactured in Recycled PETG / Recycled PMMA**
• **Versatile clean and sleek design allowing customers to easily view the items on display**
• **Diamond polished edges**

SNEEZE GUARDS

Create a polished buffet line while protecting your food from airborne contaminants. Acting as a shield, perfect for keeping stray food particles, dust, and germs off of foods at hotels, buffets, restaurants and catered events. The plastic guards provide excellent, crystal-clear product visibility. Arrange multiple sneeze guard stations (sold separately) alongside one another to fill a table's length and offer a stylish buffet line for serving guests. When not in use, the sneeze guard is easy to wipe down and clean with spray and a wet paper towel or cloth. "Ready to use" no assembly required.

Premium Range
